# **40 YEARS & COUNTING**

The initiative began in 1981 through the joint efforts of Dan Torisky, Myron Cope and Foge Fazio. Each year, the event takes place at the picturesque Montour Heights Country Club, marking it as one of the most enduring charity golf gatherings in Pennsylvania.

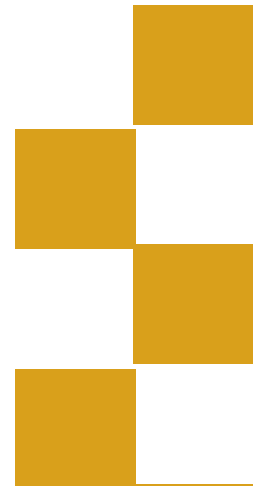

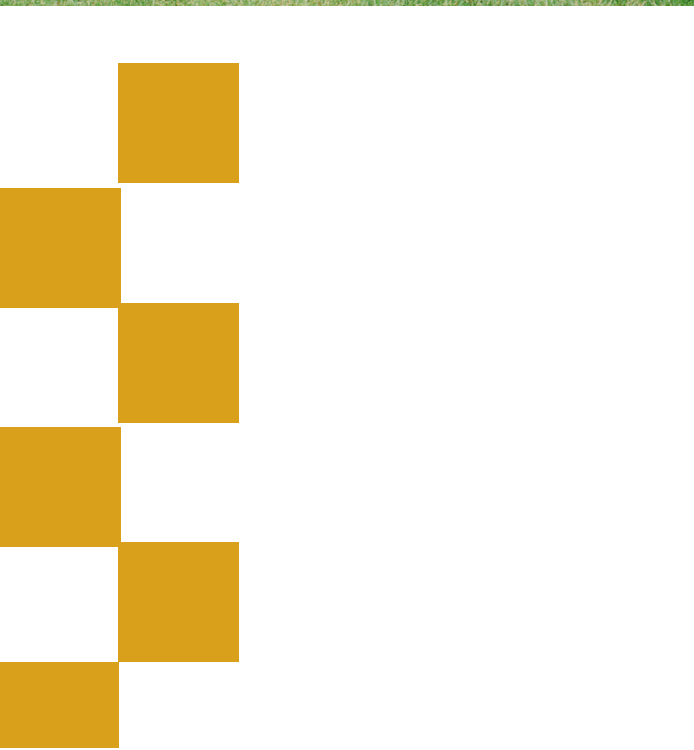

Gratitude abounds for individuals such as yourself, our esteemed donors, players, and sponsors. Through your generosity, Autism Pittsburgh is empowered to offer essential services and impactful programming to support individuals with autism throughout Western Pennsylvania.

# **AUTISM PITTSBURGH**

## **MISSION & VISION**

### **VISION**

We advocate, support, and offer comprehensive information on care, treatment, education, and habilitative services for individuals with autism spectrum disorders, along with their families and professionals. Our goal is to promote the growth and excellence of service options, providing impartial information to mitigate and overcome challenges associated with autism.

### **MISSION**

Our approach to raising awareness for autism involves providing valuable resources and programs to support families. We strive to create a community that is well-informed about autism and equipped with the necessary tools to navigate the challenges. We also provide programs, services, training, and community outreach.
